

Horse Share Agreement May 2010

I (Print Name)

agree to take (Horse Name) on a “horse share” from “Squirrells Riding School” (based at Cobham Manor Equi’ Centre, Water Lane Thurnham, Kent). For this service I agree to pay the monthly sum of £00

The term “horse share” is explained in full below

- ✓ You are entitled to one group lesson a week - midweek
- ✓ You can ride your horse two other times midweek which must be prebooked and generally on the same day (a horse can have two sharers so you must ensure you are not overworking your horse). This must be supervised until we are happy that you are safe to ride unsupervised.
- ✓ We are happy for you to pop up and see your horse at anytime to groom, spend time with and generally “spoil” him when the yard is open – just call to check he/she is not in a lesson.
- ✓ **We pay for everything including, food, shoeing, worming, vet’s bills, tack etc.**
- ✓ If you want to do any of our shows /clinics/events you must book your horse out and pay for it in addition to your monthly horse share. This is done on a first come first served basis so book early to avoid disappointment.
- ✓ **Any help with the care of your horse will be gratefully received!**
- ✓ You are allowed to buy extra tack for your horse but please get either Robert or Hayley to check it fits properly before using it.
- ✓ Should your horse be sick or lame we will do our best to provide you with a suitable horse to ride until the horse you are sharing is well again. If this does not happen when the next month’s payment is due then you can either share something else or cancel your agreement. (we offer no refund of monies paid in that first month of your animals incapacity as we will do all possible to provide you with alternative mount)
- ✓ **Please note that you are not allowed to take the horse you are sharing off the property (other than to hack it out) without express written permission from Hayley or Robert.**

By signing this agreement I agree to abide by the above conditions and to pay for my “horse share” one month in advance. I also agree to give one months notice of my intention to terminate the agreement. Squirrells agree to give you one month’s notice of their intention to terminate their agreement with you.

If however the terms of the "horse share" are broken or your participation in the scheme is deemed to be detrimental to the horse or our business, then "Squirrels" do reserve the right to terminate the agreement with immediate effect. In this situation dependant on the circumstances we will possibly refund a pro-rata amount of any monies paid.

** Please note that for the first month you must pay for one month's share plus one months share in advance – therefore for the first month you will pay for two months**
