Our New School

We have an amazing school for our use and for hire purposes. We have a 30x60 school surfaced with silicone sand and a generous layer of rubber which makes an ideal riding surface. Frost resistant and floodlights coming soon make this an all year round riding arena. We have a newly built judges box with a full PA system and brand new set of showjumps.

Private use £15per hour for the first horse and £10 every other horse. Also available for full day hire.
